

## GT WORLD CHALLENGE AUSTRALIA POWERED BY AWS

### SPORTING BOARD DECISION – 27/10/2025

#### ROUND 6 – HAMPTON DOWNS

#### CHANGE OF DRIVER LINE UP

The GT Challenge Australia powered by AWS Sporting Board has received a request from Team Volante Rosso, car number #1 to change drivers for the final round at Hampton Downs.

In accordance with the Sporting Regulations, namely Article 10.2;

*The GT Challenge Australia powered by AWS is primarily intended for Driver crews competing together throughout the season to claim the title.*

*Except for cases of force majeure, accepted by the sporting board, changes of driver / lineup are not permitted in the final round:*

*Round 6 – Hampton Downs*

*The Sporting Board may decide to allow any such line-ups to compete but decide that they will be invisible in terms of the awarding of points or be subject to an additional penalty.*

The Sporting Board accepts this request to change the driver line up for the final round due to force majeure. The Sporting Board has considered the circumstances and will allow the line up to score points and will not add an additional penalty at this stage.

However, the performance of the new driver will be monitored by the SRO Sporting Board throughout the event and pit-stop time penalties may be awarded at any point up until one hour before the start of any race.
