

RACE DIRECTOR NOTE #1
Round #6 – Hampton Downs International Circuit
GTWC Australia powered by AWS
Monochrome GT4 Australia
Clarification on location of Control Line

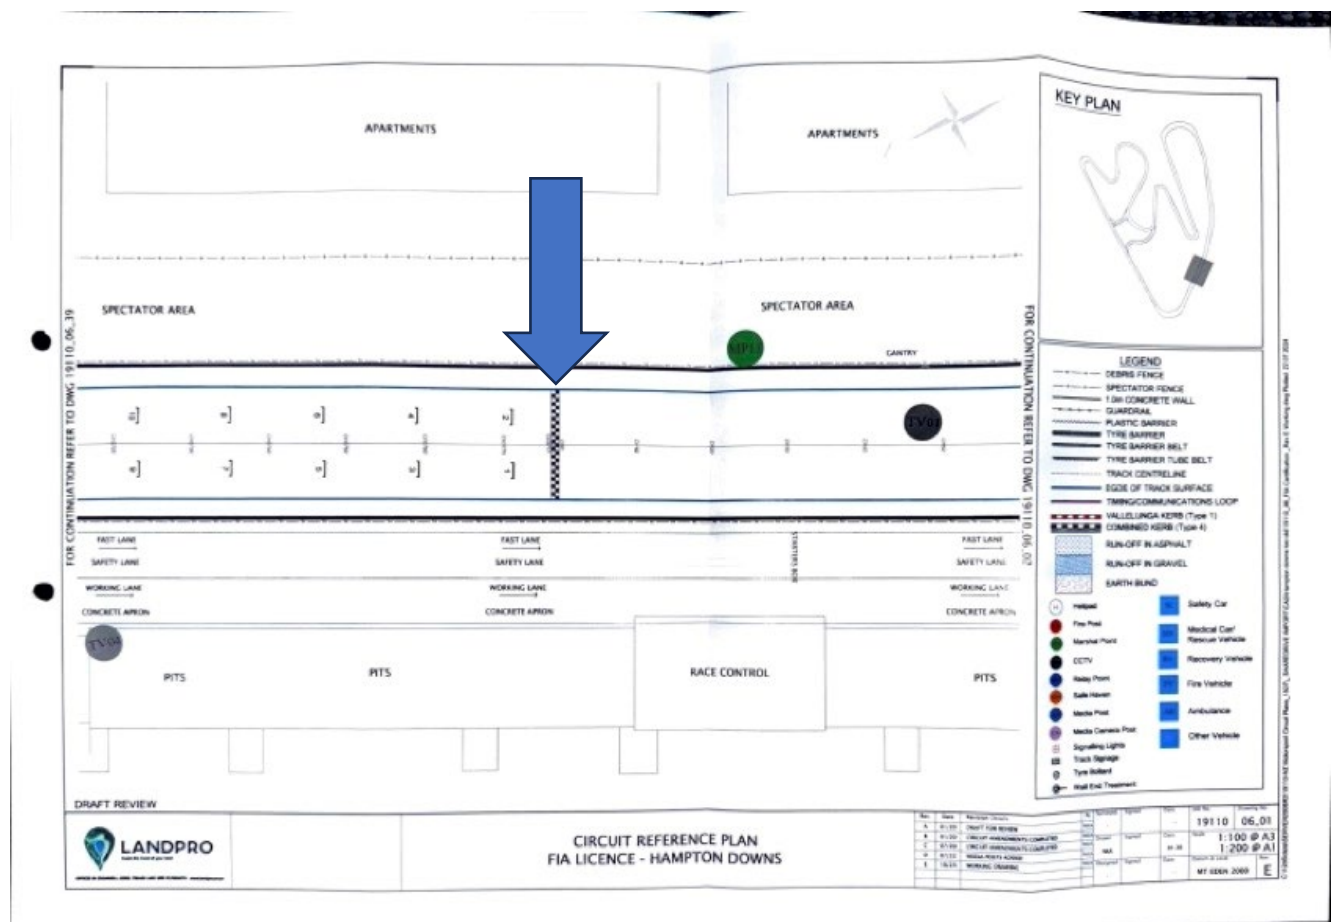

Race Director Note #1

We have been made aware of issues with the circuit diagram descriptions in the Team Manager Briefing Presentation.

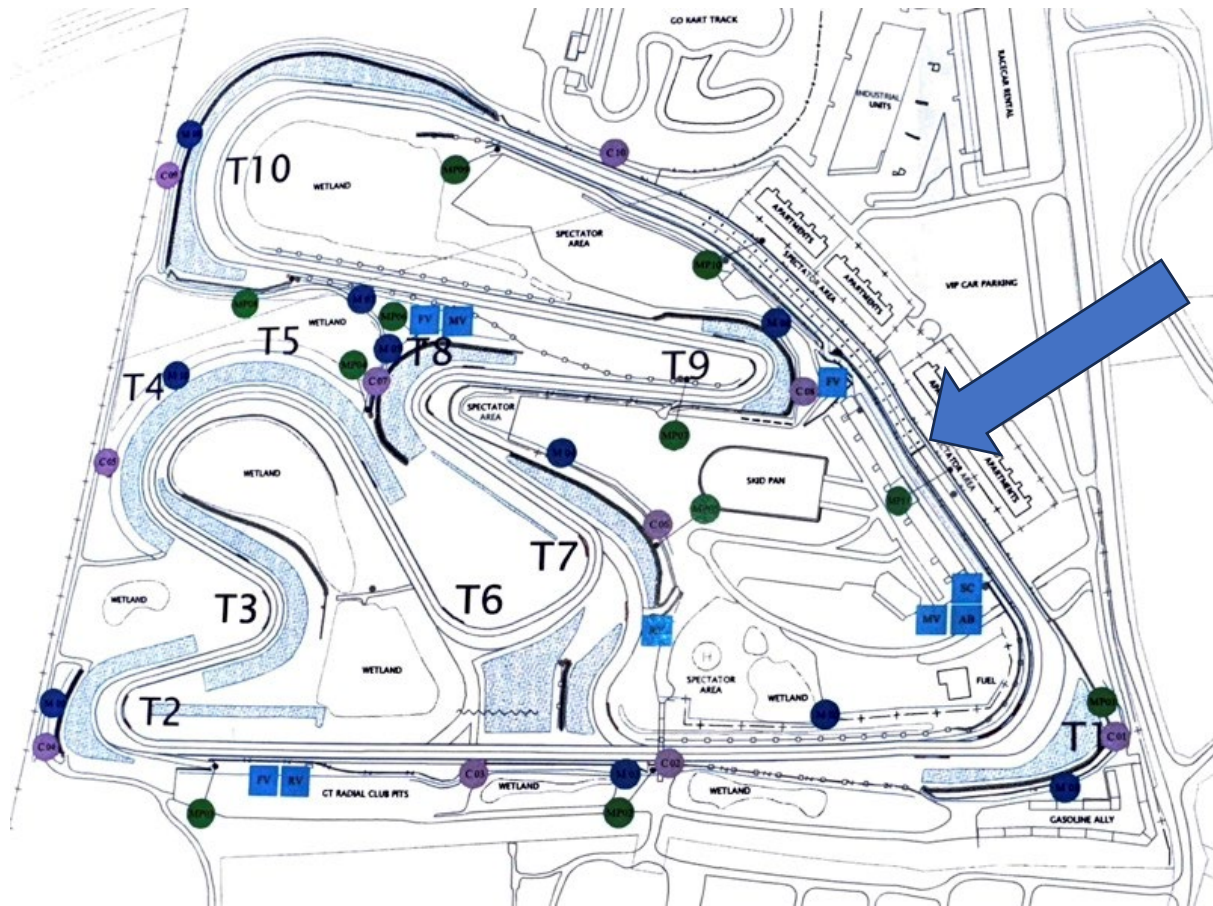

For clarification for a Safety Car restart, no Cars can overlap or overtake prior to crossing the Control Line.

The Control Line (Start/Finish Line) as per the scanned FIA drawings from the venue (see below).

The blue arrow is to highlight the location.

RACE DIRECTOR NOTE #1
Round #6 – Hampton Downs International Circuit
GTWC Australia powered by AWS
Monochrome GT4 Australia
Clarification on location of Control Line

Signed

James Taylor
Race Director
